

# Operation Round Up<sup>®</sup>

(A voluntary community donation program)

As an SSVEC member, you now have the opportunity to help individuals and organizations in our communities through a program called Operation Round Up<sup>®</sup>. When you sign up to participate in this program your electric bill is rounded-up to the next whole dollar amount. The additional money (from 1 to 99 cents) is placed into the cooperative's Charitable Trust and these funds are dedicated to charitable projects within our service area. The program is flexible in that you may also give a one-time gift or a fixed monthly amount.

Here's an example of how it works.

- If your electric bill is \$66.45, Operation Round Up<sup>®</sup> will add \$.55 to make it an even \$67.00.
- Your electric bill will show an itemized charge of \$0.55 labeled **MISCELLANEOUS Round-up Program.**
- The \$.55 will be placed in the Charitable Trust for projects in our communities.

**How do I participate?** Just fill out the form and send it with your next payment. We will do the rest.

**What if I want to give a larger monthly gift?** The program allows you to specify a monthly gift of any amount you choose.

**How do I send a one-time gift?** Enter the amount of the gift on the form and we will add that amount to your next SSVEC bill.

**How long am I signing up for this program?** Your participation continues until you notify your local co-op office to cancel.

**Is the contribution tax deductible?** Yes. You will also receive an annual summary.

**What if I am on the budget billing program?** You can participate by indicating the additional amount you'd like to contribute each month.

**How do individuals or organizations apply for Round Up monies?** Applications are available at SSVEC offices. *See examples of approved requests on the back of this sheet.*
