

Sulphur Springs Valley Electric Cooperative, Inc.

A Touchstone Energy® Cooperative 

Attached is an Application for Operation Round Up® Assistance. SSVEC's Operation Round Up® is funded primarily by SSVEC members' contributions. Members have the option of having their monthly electric bill "rounded-up" to the next dollar. This amount is then donated to the fund.

Operation Round Up® is designed to alleviate some of the desperate human situations resulting from natural disasters like floods, extraordinary emergencies like fires, mental or physical disability, or domestic violence. The funds will only be used to benefit individuals families, and organizations within the Cooperative's service area. The intent of the Operation Round Up® Program is to help families cope with emergencies, illnesses and special medical needs and aid community and emergency service providers in their efforts to improve the quality of life for our less fortunate neighbors and support each community's health, safety and well-being.

The SSVEC Board has developed guidelines that help them evaluate all requests. The funds are not used for any political purpose. Because the cooperative administers the program, we cannot legally "pay ourselves" by providing assistance with electric bills. Therefore, we do not provide assistance for any utility bill payments.

Each application for assistance is reviewed and the determination is based on the circumstances. Please be aware:

- It is intended as a one time grant.
- It is for a situation clearly beyond control of the individual.
- It is for payment of expenses and bills to deal with this situation and not for payment of past debts.

If you would like more information about the program or require assistance in completing the application, please call me at 384-5510. Completed applications should be dropped off at any SSVEC office or mailed to **SSVEC; Attention: Wayne Crane; P.O. Box 820; Willcox, AZ 85644-0820.**
