Water Heater Rebate

At Sulphur Springs Valley Electric Cooperative (SSVEC) we are concerned with our environment, and we value our members. We don't mind if you buy less energy and are offering rebates to help save you money and keep you comfortable!

\$100 Rebate – Electric Storage Water Heater with a .93+ Uniform Energy Factor (UEF)

Note: Instantaneous (Tankless) units do not qualify.

Just fill out the form below, attach a copy of your receipt/invoice, and email those to rebates@ssvec.com **within 60 days of installation** or mail/drop off the information to your local SSVEC office. Processing time is normally about three weeks.

Federal Incentives Heat pump or solar water heaters may qualify for a tax credit. Visit: www.energystar.gov
